RASPBERRY DIAMOND GRAND

PAIRING CARD

AT THE TABLE

WINE

Ruby / LBV Port

Douro, Portugal

Red fruit and sweetness that contrast with the rum and make the raspberry pop. Serve at 14–16 °C.

SPIRIT

Havana Club 7 Años

Cuba

The same rum as the filling: vanilla, caramel and oak that lengthen and reinforce the bonbon's signature. Serve neat, at room temperature.

TEA

Hibiscus & Red Berry Tea

Bright, floral acidity that refreshes the palate and lifts the raspberry between bites. Serve at 70–75 °C.
